Business Angel Club Board Academy

Your Bridge to Capital & Expertise

The Business Angel Club connects South African start ups with Germany's largest network of experienced investors, board members, and C-level decision-makers – for sustainable, international growth.

BUSINESS ANGEL CLUB · GERMANY

Who We Are

EST. 2009

17 Years of Board Excellence

Based in Munich and Johannesburg, we have spent 17 years professionalising board work and connecting experienced leaders with future-ready companies – in Germany and South Africa.

Together, we shape the next generation of Future-Ready Startups.

Advisory

Navigating your cross-border success.

Boards

Your C-level bridge to Europe.

Capital

Direct access to smart capital.

What We Offer Your Startup

Angel Capital

Direct access to a qualified pool of Business Angels. Investments flow directly – transparent, no middlemen.

The Board Option

Our Alumni act as active door-openers to customers, partners, and further investors.

Managed Services

Pre-qualified experts in law, tax, marketing and more – at exclusively negotiated rates for club startups.

Showcase Formats

Pitch to our angel network via physical events, digital showcases, and hybrid roundtable formats.

Connecting South African Innovation to German Business Angels

The Business Angel Club empowers South African start ups to thrive internationally by providing unparalleled access to German business angels and strategic advantages.

Market Intelligence & Regulatory Insight

Tap into on-the-ground knowledge of German customer expectations, compliance requirements, and market entry dynamics to make smarter decisions.

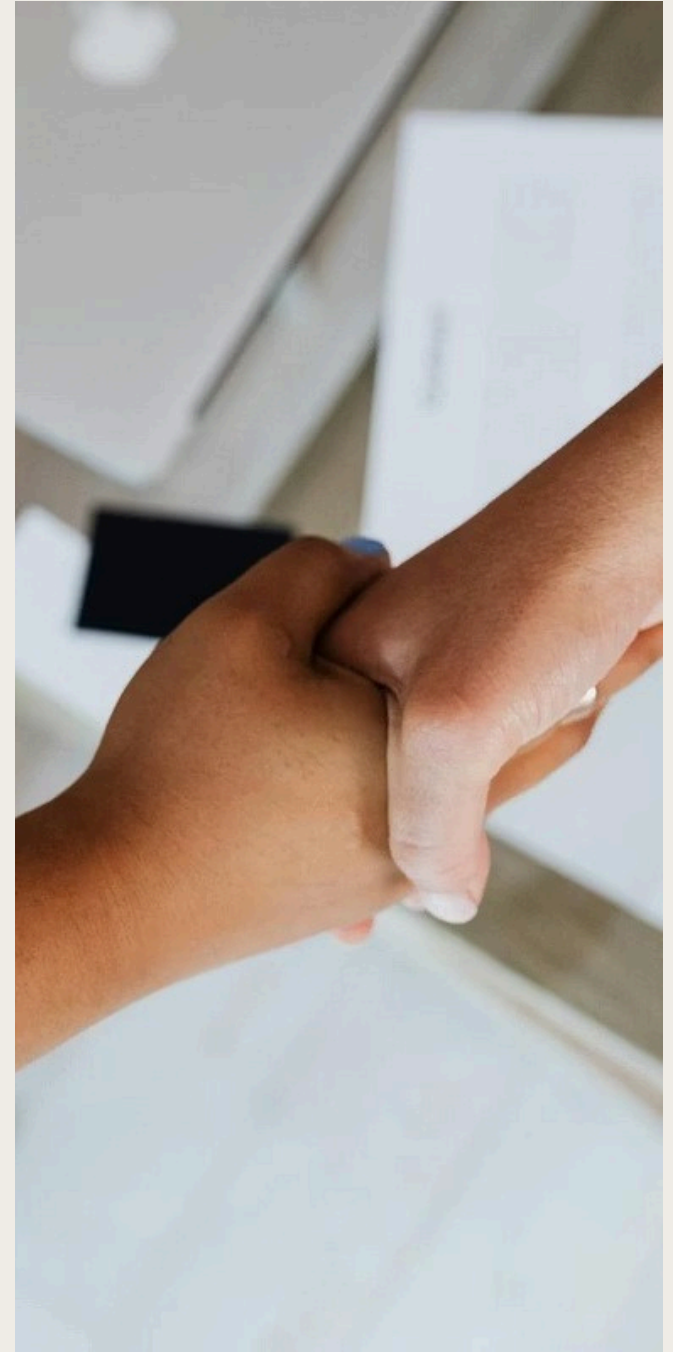

Executive Mentorship Across Borders

Learn directly from seasoned C-level leaders who can sharpen strategy, open perspective, and help founders navigate growth challenges with confidence.

Strategic Partnerships & Distribution Paths

Unlock curated introductions that can lead to supply chain support, distribution opportunities, and high-value partnerships across Germany and wider Europe.

Our Network – Your Unique Advantage

Capital is fuel – but **experience is the navigation system**. Many startups have excellent solutions but fail navigating complex market structures without C-level guidance.

800+ Alumni in Germany

Supervisory board members, advisors
& decision-makers

8,000+ International

Active community across borders

6 Focus Sectors

Technology, Software & IT · Consumer
Goods · Circular Economy ·
Infrastructure

Your Exclusive Bridge to Germany

Local Presence

Direct support in both markets – from Munich to South Africa.

Direct Capital & Engagement

The Business Angel Club provides direct capital investment and hands-on involvement with South African startups.

Instant Credibility

A high-profile board gives your startup immediate credibility with investors in both countries.
